ADOPTION OF COURSES OF STUDY

The Board of Trustees shall provide a comprehensive instructional program to serve the educational needs of the students of this District. No such course of study shall be in conflict with any law or the purpose for which this District is established.

For the purposes of this policy, a course of study shall be defined as the planned content of a series of classes, courses, subjects, studies or related activities.  
(Education Code Section 51014)

No course of study shall be taught in the schools of this District unless it has been adopted by the Board. The Board reserves the right to determine which units of the instructional program constitute courses of study and are thereby subject to the adoption procedures of the Board.

The Chancellor has the responsibility for the continuous evaluation of the efficacy of study as he/she deems to be in the best interest of the students of this District.
