

VENDOR RELATIONS

It is the purpose of this policy to implement the intent of the legislature to strictly limit the interest that officers and employees of the Board may have in purchases or contracts of the Board, and to insure that all suppliers are in compliance with non-discrimination laws.

All persons, firms, or corporations supplying goods, materials, equipment or services of any kind to the school district shall certify in writing on all bids for contracts that each, as a contractor with the District, will not discriminate against any employee or applicant for employment because of race, color, sex, religion, or national origin.

The interest that officers and employees of the Board may have in purchases or contracts of the Board shall be limited in accordance with the law.
